In this collection of reflections on three things that make us human - our longing to know the meaning of life, our capacity for love, and our ability to laugh - Osho goes far beyond the usual chicken-soup fare. "Life, Love, Laughter" establishes a new genre of reflective and inspirational text stripped of all platitudes and cliches, absolutely in tune with the realities of the twenty-first century. In this artful collection, Osho mixes entertainment and inspiration, ancient Zen stories and contemporary jokes - and helps us to find love, laughter, and ultimately, happiness. "Life, Love, Laughter" includes an original talk by Osho on DVD. This visual component enables the reader to experience the direct wisdom and humor of Osho straight from the source.
