Over the years, the titles in this popular series have helped ordinary consumers understand principles of prudent money management as a key to personal financial security. Written by experienced financial and investment specialists, " Barronas Business Keys " use non-technical language that takes the mystery out of business practices. They offer up-to-date advice on saving, investing, seeking mortgages and other loans, protecting oneas assets, coping with taxes, and managing many other money-related issues. This updated edition advises investors on how to cut through the public relations jargon, focus on the annual reportas important facts and figures, and use that information to assess a companyas financial health.
