"Ghost Omnibus Volume 1" features over 300 story pages of one of Dark Horse's signature and most compelling characters. A complex tangle of mystery, vengeance, eroticism, and absolution, Ghost pushes the definition of 'hero' to the farthest crumbling edge and includes a roster of top creative talents, including screenwriter Eric Luke and comics superstar artists Adam Hughes and Terry Dodson. If you're already dead, you might as well make the best of it. Someone brutally murdered reporter Elisa Cameron, but back from the grave as the spectral avenger Ghost, Elisa intends to find out who killed her and why ...and grab a double dose of .45-caliber payback. But Ghost's journey to the truth follows a dark, twisted path, and the revelations she unearths may lead not to redemption, but damnation.
