Comprehensive Japanese II includes 30 additional lessons (16 hrs.), which build upon the language skills acquired in Level I. Increased spoken language ability. Also includes a Culture Booklet Level II will double your vocabulary and grammatical structures while increasing your spoken proficiency exponentially. Upon completion of a Level II, you will be able to: * engage in fuller conversations involving yourself, your family, daily activities, interests and personal preferences, * combine known elements into

increasingly longer sentences and strings of sentences, * create with language and function in informal situations, * deal with concrete topics in the past, present, and future, * meet social demands and limited job requirements. Note: In order for the Pimsleur Method to work correctly, you must first complete the Level I language program before proceeding to the Level II language program.
