It is June, 1897 and three years have passed since that tragic period in Rose's life. She has now fulfilled her ambition of becoming a 'Lady Investigator, Discretion Guaranteed' and is about to marry her long-term lover, Detective Inspector Jack Macmerry of the Edinburgh Police. But pre-wedding jitters become the least of her worries when a nun from the local convent claims to have received a letter from Danny. Is the elderly nun just senile, or could Danny really still be alive? In which case, why would he not write to his wife? Unnerved and determined to find out the truth before her wedding, Rose begins to investigate. However, after two suspicious deaths, all the signs suggest that a ghost is about to walk back into her life.
