In *Young Mongols and Vigilantes in Inner Mongolia's Interregnum Decades, 1911-1931*, a vivid narrative of the underground world of pan-Mongolist agitation in China, the author shows how the paradoxical legacy of China's New Policies reforms left ethnically-based nationalism as the only common denominator for political action.

In the turbulent years of China's warlord republic, educated Mongol nationalists and rural vigilantes sought to unify Inner Mongolia with the independent state in Mongolia proper. Brought together by the Soviet embassy, the nationalists fought for an autonomous Inner Mongolia until their final doomed uprisings of 1928.

Based on previously closed Mongolian archives, *Young Mongols and Vigilantes* is a path-breaking contribution to the history of Soviet involvement in Inner Mongolia, Chinese Communist nationality policy, and the social history of multi-ethnic Inner Mongolia.

作者介绍:

Christopher P. Atwood currently teaches Mongolian studies at Indiana University's Central Eurasian Studies Department. A graduate of Indiana University, he has traveled widely in Inner Mongolia and independent Mongolia and published numerous articles on Inner Mongolia in the nineteenth and twentieth centuries.

评论

之前在一次會議午餐中，跟白拉都格其老師聊到這書，他說他們研究了內蒙古近代史這麼多年，發現這本書把這個領域基本全給做完了.....

Truth is stranger than fiction ... Remarkable, revelatory and extraordinary
