著者:Brendan Wilson

出版者:Edinburgh University Press

出版时间:1998-10-15

装帧:Paperback

isbn:9780748610594

This book guides the reader through perhaps the single most important philosophical work of the twentieth century - Wittgenstein's *Philosophical Investigations*. The author presents Wittgenstein's *Investigations* in a radically new light using short sections to clarify the main arguments, including the famous Private Language Argument. This is accomplished through the author's extremely clear and accessible writing style, bringing a new clarity to a reputedly difficult work. The author demonstrates the continuing importance of Wittgenstein's ideas to contemporary debates in cognitive linguistics and psychology.
