出版时间:2007-10-30

装帧:Hardcover

isbn:9781858944067

This unique volume presents a stunning photographic record of American history, documenting ruins ranging from ancient Native American dwellings in the Southwest to the remains of a Gilded Age mansion on the East Coast and a king's summer home in Hawaii. The luminous infrared photographs are accompanied by brief essays detailing the significance of each site. In raising awareness of ruins that remain unknown even to most Americans, American Ruins offers a new way of seeing the

landscape and the collective identity of America.
