Members of Carmen Sandiego's gang have struck again!
This time they've taken four of America's greatest treasures--
the Grand Canyon, the Alamo, a famous painting
by Winslow Homer, and the Golden Gate Bridge.
Inside this book are four mystery-adventure games for you
to play. Only you can capture Carmen's gang and return
the stolen property. Only you can choose which treasure to
recapture first, and only you can choose the path you must take.
But watch out--while you're tracking Carmen's gang,
they could be tracking you!
