The Here's Hope format has proven itself a crucial evangelism tool for churches, ministries, and individuals throughout the world. Now, the translation precision and fluid English styling of the Holman Christian Standard Bible offer the Word with a new clarity that draws readers of all kinds readily into the Scriptures. The complete text of the New Testament is accompanied by the "Roman Road" plan of salvation, providing a clear way to share the basics of faith straight from the Bible. And a low price makes quantity purchases of the HCSB Here's Hope New Testament well within the reach of most churches and ministry organizations.
