Sylvia Porter's informative new 1989 tax-saving tips clear up the mysteries of the changes in federal tax laws and show you how you can actually profit from them! This easy-to-understand guide provides money-saving tips for homeowners, investors, employees, entrepreneurs, newlyweds,

parents, senior citizens--virtually everyone who pays taxes. You'll find quick, reliable answers to such questions as: [] When it pays to switch your investments [] Whether municipal bonds make sense for you [] Why an expense account may be better than a raise [] How you can deduct mortgage interest under the new rules [] How you can still write off your medical bills [] Why annuities are suddenly more attractive [] How you can avoid ever paying capital-gains tax [] How you can save time in preparing your tax returns

AND MUCH MORE... FOR EVERYONE!
