Indy's facing tough choices!

While World War I rages in Europe, the same enemies struggle for land in Africa. Land that each side is ordering its native African troops to defend--and die for.

As an officer in the Belgian army, Indy's torn in two directions. How can he carry out heartless orders without betraying the men he commands?

Catch the whole story of Young Indy's travels on the amazing fact-and-fiction television series *The Young Indiana Jones Chronicles*.
