著者:Stephen W. Littlejohn

出版者:Wadsworth Publishing Co Inc.

出版时间:2007-2

装帧:

isbn:9780495101185

"Theories of Human Communication" is considered the seminal text in the field. Littlejohn and Foss present the range of communication theories currently available in the discipline, organizing them according to the scholarly traditions and contexts from which they emerge. Clear and accessible writing, charts that summarize the

relationships among theories, and sections devoted to applications and implications help position theories within the discipline as a whole.
