After trading the barracks for a fixer-upper rental, navy SEAL Zack Nelson wants peace, not a roommate—especially not Pike, who sees things about Zack he most wants to hide. Pike's flirting puts virgin Zack on edge. And the questions Pike's arrival would spark from Zack's teammates about his own sexuality? Nope. Not going there. But Zack can't refuse.

Pike Reynolds knows there won't be a warm welcome in his new home. What can he say? He's an acquired taste. But he needs this chance to get his life together. Also, teasing the uptight SEAL will be hella fun. Still, Pike has to tread carefully; he's had his fill of tourists in the past, and he can't risk his heart on another, not even one as hot, as built—and, okay, yeah, as adorable—as Zack.

Living with Pike crumbles Zack's restraint and fuels his curiosity. He discovers how well they fit together in bed···in the shower···in the hallway··· He needs Pike more than he could have imagined, yet he doesn't know how to be the man Pike deserves.
