装帧:Paperback

isbn:9780745322384

Max Weber is one of the founding fathers of sociology. He is often referred to as a sophisticated 'value-free' sociologist. This new critical introduction argues that Weber's sociology cannot be divorced from his political standpoint. Weber saw himself as a 'class conscious bourgeois' and his sociology reflects this outlook. Providing clear summaries of Weber's ideas - concentrating on the themes most often encountered on sociology courses - Kieran Allen provides a lively introduction to this key thinker. Kieran Allen explores Weber's political background through his life and his writing. Weber was a neo-liberal who thought that the market guaranteed efficiency and rationality. He was an advocate of empire. He supported the carnage of WW1 and vehemently attacked German socialists such as Rosa Luxemburg. Weber's most famous book, *The Protestant Ethic and the Spirit of Capitalism*, ignores the bloody legacy associated with the early accumulation of capital. Instead, he locates the origins of the system in a new rigorous morality. Using a political framework, Kieran Allen's book is ideal for students who want to develop a critical approach.

这本倒是真critical 但cri了那么久读着就像 “Weber全是错因为他不是马克思主义者”
