Michelangelo Buonarroti is the great Italian artist who sculpted the figure of David and painted the ceiling of the Sistine Chapel in Rome. This special volume tells the story of this extraordinary artist's life work. Detailed timelines throughout the book place Michelangelo's biography and his major works into historical context. Vivid reproductions and insightful critiques add immeasurably to one's appreciation of each work. This is a delightful little book that captures the work of a great artist.

简明清晰的艺术家小传，选用作品妥帖，印刷精美，兼谈时代背景和相关艺术史。查了一下，Könemann是一家德国出版社，成立于1993年，出版这套小册子时生意发展到高峰，2003年破产，改组成了现在的h.f.ullmann。
