The new big thing in terms of spiritual enlightenment, the powerful principles of the Kabbalah have attracted a swathe of celebrity followers ranging from Madonna, Jerry Hall, Elizabeth Taylor, Mick Jagger and Guy Ritchie - as well as over 3.5 million other dedicated students worldwide. Previously shrouded in secrecy, its teachings were passed down orally from generation to generation to only an elite few. Now, in THE POWER OF KABBALAH, Rabbi Yehuda Berg has created a user's manual for today's world, in which its wisdom is conveyed in a highly accessible, practical form for all to follow. For the first time, these secret teachings are brought to bear on the real world issues faced by us everyday - in our careers, with family and friends, and in our innermost personal thoughts. Rabbi Yehuda Berg sets out a practical collection of principles and instructions for improving our lives - helping us to get to where we really want to be emotionally, spiritually, financially and creatively in all aspects of our life. This truly spiritual book reveals not only what life means, but the actions we can each take to create the life we want and deserve.
