isbn:9781888001884

Design Annual 2001 remains the premier international showcase for the best work produced in all areas of contemporary graphic design. Selected from an international

competition, the images in this volume represent the most outstanding designs and illustrations from all over the world. More than 450 full-color examples of creative excellence and innovation are featured here, in categories including Annual Reports, Corporate Identity, Brochures, Catalogues, Posters, Products, Promotions and Packaging, immaculately produced in crisp detail and brilliant color. Full indices and captions complete this book, making Design Annual 2001 the perfect resource for all design enthusiasts, students and professionals.
