Product Description:

This exciting new art series combines the most popular artists with expert text and a fresh, unique, format destined to appeal to children and adults alike. Each of the Rizzoli Quadrifolios features sixteen foldout pages that open into huge poster-sized reproductions of the work, allowing readers to feel as though they have leaped into work itself. The series begins with two artists whose work continually compels audiences: Michelangelo and Van Gogh. Vincent Van Gogh features a variety of the best-known paintings by the Dutch artist, whose work continually breaks records at auctions. A tour of Van Gogh's portraits will travel to major American museums throughout 200 and 2001.
