isbn:9780815335078

This book explores traditional approaches to the play, which includes an examination of the play in light of current history, in the context of Renaissance England, and in relation to Shakespeare's other Roman plays as well as structural examination of plot,

language, character, and source material. Julius Caesar: Critical Essays also examines the current debates concerning the play in Marxist, psychoanalytic, deconstructive, queer, and gender contexts.
