The Cambridge Companion to Literature and the Posthuman is the first work of its kind to gather diverse critical treatments of the posthuman and posthumanism together in a single volume. Fifteen scholars from six different countries address the historical and aesthetic dimensions of posthuman figures alongside posthumanism as a new paradigm in the critical humanities.

作者介绍:

Bruce Clarke is Chair of the Department of English and the Paul Whitfield Horn Professor of Literature and Science at Texas Tech University. His widely published research areas focuses on nineteenth- and twentieth-century literature and science, with special interests in systems theory, narrative theory, and ecology. Since 2011 he has been the Advisor for the European Society for Literature, Science, and the Arts (SLSA-EU).
