The 1916 Revolt was a key event in the history of Central Asia, and of the Russian Empire in the First World War. This volume is the first comprehensive re-assessment of its causes, course and consequences in English for over sixty years. It draws together a new generation of leading historians from North America, Japan, Europe, Russia and Central Asia, working with Russian archival sources, oral narratives, poetry and song in Kazakh and Kyrgyz. These illuminate in unprecedented detail the origins and causes of the revolt, and the immense human suffering which it entailed. They also situate the revolt in a global perspective as part of a chain of rebellions and disturbances that shook the world's empires, as they crumbled under the pressures of total war.

#### 作者介绍:

Aminat Chokobaeva is a Postdoctoral Fellow at Nazarbayev University.

Cloé Drieu is a Research Fellow at CNRS in the Centre d'études turques, ottomanes, balkaniques et centrasiatiques (CETOBaC).

Alexander Morrison is a Fellow and Tutor in History at New College, Oxford.
