Political, social and economic transformations have marked the 20 years since Hong Kong became a Special Administrative Region of China. To mark the historic handover, the Institute of Advanced Studies (IAS) at Nanyang Technological University invited experts from various fields to share their unique insights on the developments and impact of the last 20 years on Hong Kong and Singapore in a conference in Singapore.

This volume is a compilation of speeches and presentations delivered at the conference by such heavyweight experts as Wang Gungwu, Antony Leung and Yang Jinlin on the road travelled and the paths ahead for both cities. This volume is an invaluable collection on Hong Kong and Singapore's past, present and future. Readers can enjoy the salient analysis delivered with great thought and reflective humour.

评论

民主有那么重要吗？学学新加坡发大财不好吗。state intervention绝对不可少，laissez-faire害死人。产业空洞化需要警惕。政府应该是proactive enabler而不该是无为而治的，尤其是在迅速变化的世界格局。香港的选项:一带一路，嵌入大湾区，人民币国际化。btw香港人越来越inward-looking，舒服太久不愿意出去看世界。
