Some experts say that cryptocurrencies and blockchains are just a scam; others say, they're "the most important invention since the internet." It's hard to tell who's right. Authored by Product Managers from Google, Microsoft, and Facebook, *Bubble or Revolution* cuts through the hype to offer a balanced, comprehensive, and accessible analysis of blockchains and cryptocurrencies.

You'll learn the core concepts of these technologies and understand their strengths and weaknesses from real-world case studies; dive deep into their technical, economic, political, and legal complexities; and gain insights about their future from exclusive interviews with dozens of tech industry leaders. No coding or math needed!

Are cryptocurrencies and blockchains a bubble or a revolution? We'll help you decide for yourself.
