Asia, with its spa destinations, has become the mecca for international travelers. Although the spa has a long history in both eastern and western culture, it is the success of various hospitality and spa companies from Asia that has added a new dimension and life to the industry in recent years. Featured here are world acclaimed spa groups like Banyan Tree, Mandara Spa, the Oriental Spa of the Mandarin Oriental, and the highly coveted Ananda Spa in the Himalayas. with the fast increasing number of spa travelers, international hotel groups are quick to respond to his demand. Asias

Luxury Spas provides an insight of the most renowned spas in Asia, covering a beautiful array of urban and resort spas. It is a compelling reference book for designers, architects and spa enthusiasts.
