Cuddle Bear LOVES giving hugs,

And bringing cuddly cheer.

But one bear can't hug everyone,

So here's his great idea...

To start a Hug Academy, of course! With classes on how to hug a giant giraffe, a tickly

octopus and even a prickly porcupine, Cuddle Bear is teaching little bears everywhere to spread the cuddly love!

With gorgeous illustrations from talented Gavin Scott (Little Penguin Lost) and a fun rhyming text from Claire Freedman (Who's for Dinner? and Bedtime, Little Ones), this snuggly sequel to the much-loved Cuddle Bear is the perfect bedtime read!

小熊开了学校教大家怎么拥抱。。还挺可爱的想法，不过故事性不强，并不想再读
