Flan Flood finally has her life in order. Her new, normal friends from school get along with her celebrity friends and she couldn't be happier being Just Flan. But right when life is settling down, Flan's friends all fall for the same guy: hot quarterback Adam whose smile is as winning as his throwing arm. And when Flan's BFF, teen-starlet Sarah-Beth Benny, decides to throw a glam costume party, Flan's friends each vow to kiss their football prince by midnight at the big bash. Suddenly, Flan finds herself in the middle of an all-out battle for Adam's attention. Can Flan convince Meredith and Judith that girlfriends are way more important than any guy, or will Flan find herself dangerously stuck in the middle?
