Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever.

Where do you see yourself in five years?

When Type-A Manhattan lawyer Dannie Cohan is asked this question at the most important interview of her career, she has a meticulously crafted answer at the ready. Later, after nailing her interview and accepting her boyfriend's marriage proposal, Dannie goes to sleep knowing she is right on track to achieve her five-year plan.

But when she wakes up, she's suddenly in a different apartment, with a different ring on her finger, and beside a very different man. The television news is on in the background, and she can just make out the scrolling date. It's the same night—December 15—but 2025, five years in the future.

After a very intense, shocking hour, Dannie wakes again, at the brink of midnight, back in 2020. She can't shake what has happened. It certainly felt much more than merely a dream, but she isn't the kind of person who believes in visions. That nonsense is only charming coming from free-spirited types, like her lifelong best friend, Bella. Determined to ignore the odd experience, she files it away in the back of her mind.

That is, until four-and-a-half years later, when by chance Dannie meets the very same man from her long-ago vision.

Brimming with joy and heartbreak, *In Five Years* is an unforgettable love story that reminds us of the power of loyalty, friendship, and the unpredictable nature of destiny.

评论

故事其实一般，开头和结尾都还算有新意，但是整体也就那些俗套路。不过朗读者很出色，加上作者的文字也算顺畅，所以这有声书听起来还是蛮过瘾的。
