From Hoboken to Hollywood, Frank Sinatra was always a larger-than-life package of talent, charisma and controversy. Singers had been big before, but there had never been a sensation like the young Sinatra. He drove the women wild and lived a life of monumental drama and intrigue. He secured his status as an icon of the highest order, one of the towering figures of the American century. "Nobody's ever been a bigger star

than me," Sinatra said as a young man. "This'll never end." Ten years ago, it did finally end for "Ol' Blue Eyes". But for those of us who were his fans, there will always be his incomparable music and film roles. And now, thanks to the pictures and vivid narrative from the editors of "Life", memories of the extraordinary life and times of Francis Albert Sinatra are alive again. Ten years after the Chairman's death, here is the expanded version of an already classic "Life" book.

评论

Dietrich, Gardner, Bacall, Monroe, Wood...我最喜欢的女演员们都和他有过轰轰烈烈的一段，果然人生赢家不解释！美国人是真心爱他，20世纪在美国最有影响力的4个音乐人的另外3个Crosby,猫王和英国的John Lennon都比不上他在美国人心中的地位。连LIFE出的特别纪念册都比别的明星大一倍size= =确实有好多经典却从未出版过的图片。
