"Vintage Monsters" is a limited edition gift pack which consists of beautifully designed separate volumes of "Frankenstein" by Mary Shelley and Jeanette Winterson's "Sexing the Cherry." "Vintage Monsters" is just one of ten "Vintage Classic Twins" to collect. Each twin consists of two books: a specially designed limited edition of one modern classic title and one established classic work. The books in each pair have been carefully selected to provide a thought-provoking combination. "Frankenstein:; One freezing morning, a lone man wandering across the arctic ice caps is rescued from starvation by a ship's captain. Victor Frankenstein's story is one of ambition, murder and revenge. As a young scientist he pushed moral boundaries in order to cross the final scientific frontier and create life. But his creation is a monster stitched together from grave-robbled body parts who has no place in the world, and his life can only lead to tragedy. "Sexing the Cherry": "Sexing the Cherry" follows the adventures of Jordan, an explorer, and his mother, the gigantic and violent 'Dog Woman'. Jeanette

Winterson's stunning novel celebrates the power of the imagination as it juggles with our perception of history and reality; love and sex; lies and truths; and 12 dancing princesses who lived happily ever after, but not with their husbands.
