This is the new, fully revised edition of the bestselling stylish London guide, bringing you up to date with whats happening in the worlds' favourite city. Strikingly photographed, superbly designed and produced, and yet ingeniously practical with easy-to-read maps and pacy, informed texts, this "StyleCity" volume presents a

selective, particular and stylish portrait of London. From off-beat cafes and cutting-edge restaurants to specialized boutiques, the choicest hotels and buzziest neighborhoods, "StyleCity" presents all the special places you'll find only in London, where both savvy locals and smart travelers will find a vibrant and idiosyncratic experience.
