Purple Ronnie is the creation of the writer Giles Andreae. With over 35 million cards and 2 million books sold in the UK, Purple Ronnie is now one of the most successful licensed characters in the country. This collection of poems and illustrations is devoted to each of those charms you love your boyfriend for, from farting and nose-picking to

hogging the blankets in bed and forgetting your birthday. It is aimed at any long-suffering girlfriend or as a wake-up call for the errant boyfriend.
