While most think of Cuba as a mythical island of rum, rumba, and revolution, period photographs reveal a more complex place. *I Was Cuba* is an original look at Cuban history as seen through the Ramiro Fernandez Collection arguably the world's leading archive of Cuban photos and ephemera. *I Was Cuba* showcases rare, vernacular images from the nineteenth century through the revolutionary period, exploring the everyday and the eccentric. With texts from famed Cuban writer Reinaldo Arenas (*Before Night Falls*), this captivating volume is an intimate view into a bygone era of glamour, political upheaval, and astounding visual culture.
