Take advantage of the growing interest in classic coinage - and availability of many "old money" collections. Access identifying details and pricing dealers and coin experts around the world turn to. With prices for classic coins driving collecting activity around the world, continued fluctuation of the precious metal market, and greater than ever availability of coins now is a great time to expand your coin collecting efforts, and extend your knowledge, before you buy and sell. Standard Catalog of World Coins - 1701-1800 delivers the complete coverage of coinage from every nation existing during the 18th century, with up-to-date pricing in five grades of condition.
