Hundreds of inspiring design ideas! * More than 400 full-color photographs [Editor, is this okay? The other ones in the series had 400 photos] * Great ideas for capturing every mood Capture the individual style of every client, with help from Ideas: Style. In more than 400 full-color pictures and commentary in four languages, authors and architects Fernando de Haro and Omar Fuentes explore and explain the work of dozens of top interior designers, decorators, and architects. Whether the look that's wanted is mild or wild, gray or goth, understated or over-the-top, this book is packed with great ideas for creating that special style.
