Solomon, Berg, and Martin's "Biology" - often described as the best majors text for learning biology - is now also a top choice for teaching the course! Not only helping students understand and retain the material with a superbly integrated learning system that guides them through every chapter, the Eighth Edition is a major revision that gives instructors enhanced coverage of key topical areas. Cutting-edge attention to cell communication (a new chapter), genetics (enhanced, current coverage of every chapter in this unit), and other key topics give you the coverage and authority that you demand for your majors course. This book has now been updated by ISBN 978140800962
