The memories that people have of dogs they have loved and lost are almost always of the animal in his final years; somehow, those are the images we treasure most. There is a reason. Old dogs can be rheumy-eyed and grump, gray of muzzle, graceless of gait, eccentric of habit, pimply, wheezy, lazy, lumpy. But that is not the whole of him. The old dog is resolute. He is canny. He is noble. She is funny, and seems to know it. She is sweetly vulnerable. He has character and dignity and an elegance of bearing that belies his circumstances, and above all, he seems at peace. You'd call that wisdom, if it didn't sound so silly. Old Dogs is a portrait book featuring 60 classic black and white

photographs of sweet old dogs-Michael Williamson has photographed store-front dogs, mutts, elegant purebreds, junkyard dogs, little dogs, and big dogs. With their stories-sometimes sad, sometimes funny, and sometimes uplifting-- told by Gene Weingarten of the Washington Post, the old dogs featured in this book will captivate any dog lover.

作者介绍:

A Pulitzer Prize winning reporter and humorist for the Washington Post and author of a number of books.

这是一本多么让人开心有的时候又伤心的书。看第一个狗狗的故事的时候，我就情不自禁地哭了。作者的文字有魔力，读了她的文章，感觉狗狗栩栩如生地呈现在我的眼前。每个狗狗都有自己的故事，作者写的角度都非常特别，所以读得开心。这样的书多一点该多好。
