Sacred Jewish texts such as the Torah and the Kabbalah have long been considered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative examples, this book reveals a four-thousand-year-old blueprint for success. </p>

</p>

Readers will find practical insights on: </p>

</p>

conquering fear • harnessing will power • removing ego from the equation • mastering negotiation techniques • dealing with failure • utilizing spiritual entrepreneurship • harvesting the power of positivity • and finding the right balance of character traits to succeed in any career or business venture </p>

</p>

The ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. This enlightening and practical guide gives readers the direction they need to make it work for them. </p> </body> </html>
