The first photographic investigation of the history, companies, people, places, uses, prices, and the kerosene lanterns themselves. Some of these lanterns are so rare they have never been photographed before. Each lantern is described in detail, over 200

photos and illustrations, over 30 color photos. Detailed restoration information, American and foreign lanterns, railroad lanterns, and lots of barn lanterns. Collecting tips, newly revised quick reference prices, and the Universal Value Calculator. The author is an antiques restorer with over 25 years of lantern collecting experience.
