To the Seventh Power, Felice Picano's first thriller since *The Lure* and *Eyes*, takes us to the limits of parapsychology and explodes them into a pyrotechnical display of action, romance, and suspense.

A strange encounter with a pretty, enigmatic, teenage girl unsettles Barry Brescia just as he is becoming comfortable with middle age. Kyra Nilsson possesses an uncanny ability--she seems to know events from Barry's past. Her unaccountable familiarity and the hints she drops about a group of children with extraordinary powers baffle and entice him. Then Kyra vanishes, leaving a letter. Its revelations about her--and about their relationship--shatter Barry's life forever, leading him into a past he'd rather have forgotten and toward a future more amazing and perilous than he could ever imagine.

Barry's quest for Kyra and for the truth takes him back to memories of his youthful liaison with Anna Kuragin, a beautiful Russian emigre musician. Past and present blur as Barry finds Anna again and the two begin to follow the
