

Algorithms for clustering data

[Algorithms for clustering data_下载链接1](#)

著者:Anil K. Jain

出版者:Prentice Hall

出版时间:1988

装帧:

isbn:9780130222787

dendrogram, threshold graph, cluster analysis, multidimensional scaling, random graph, hierarchical clustering, eigenvectors, Euclidean distance, eigenvalues, Monte Carlo analysis, null hypothesis, random variable, Jain, ultrametric, hypercube, graph theory, Jaccard coefficient, unsupervised learning, F statistic, exploratory data analysis
