On the streets of the vibrant and anarchic city of Mumbai, the film poster is a familiar

splash of colour. It is an invitation to the pleasures of Bollywood, the worlds largest film industry. This most democratic of art forms meets one of the worlds most exciting cinema industries and the result is an explosion of colour, form and typography. Bollywoods film posters have had a long and glorious history that is only now being recognized and noted, and is brilliantly celebrated here in this lavish volume. "Bollywood Posters" is a must-have for film buffs, graphic designers and art-lovers.
