装帧:Paperback

isbn:9781560979616

Bizarre, wacky, weird, wild and sexy-these are just a few of the adjectives that describe the cartooning of Boody Rogers. Before there were underground comics, Boody Rogers dug deep into breaking the rules; before there was low-brow art, Boody created art that

hit hard below the brow. Rogers's pen and ink outre raucousness was wrapped into great stories, beautifully drawn art, and hilarious gags. Fans of Boody Rogers's Golden Age comic book stories span generations of cartoonists, from Robert Williams to Art Spiegelman to Johnny Ryan. Spiegelman printed Rogers's work in RAW magazine and recently it also appeared in the anthology book *Art Out of Time: Unknown Comic Visionaries* (Abrams). Here at last is a single book devoted to this cult comics hero, collecting Rogers's best Sparky Watts, Babe and Dudley stories, as well as much more. This beautifully designed tome also includes an introduction and comic-strip appreciation by editor Craig Yoe (Arf).
