'Junk is not, like alcohol or a weed, a means to increased enjoyment of life. Junk is not a kick. It is a way of life.' In this complete and unexpurgated edition of Burroughs' famous book, he depicts the addict's life: his hallucinations, his ghostly nocturnal wanderings, his strange sexuality and his hunger for the needle. "Junky" remains one of the most accurate and mesmerising account of addiction ever written.

书评

Junk is lifestyle: a habit that relinquishes triviality of life, a cloak that hides away the cruelty of life, and a silent stance against homogeneity and alienation of modern life. It is a life that was destined to fail and a belief that was fated to decay....
