著者:Graham Roumieu

出版者:Plume

出版时间:2008-04-29

装帧:Hardcover

isbn:9780452289567

In his eagerly anticipated follow-up to *Me Write Book*, Bigfoot returns from exile to share his inspiring, hilarious, and often deeply disturbing experiences as a misunderstood forest gentleman and tragic media darling. These entertaining and often grizzly stories stand not only as a testament to the greatness of the legendary man-beast, but also as a chilling cautionary tale of the downside of a life of celebrity, cannibalism, celebrity cannibalism, wanton violence, and lack of toilet training. As in *Me Write Book*, full-color glossy spreads depict every intimate, disgusting, and downright insane moment of Bigfoot's life. *Bigfoot: I Not Dead* is an unforgettable memoir that will stay with readers long after his foul scent has dissipated.
