The girl wore gold loop earrings and a full skirt that came all the way down to her ankles. Her feet were bare. She had coal black hair that was pulled into two long braids Her black eyes flashed....She was trying to take

over Katy s secret hide-out house!

Haty and Marya did not start out as

friends. Haty even suspected Marya of casting
evil spells. But when Haty was forced to trust
Marya, she learned to become her friend.
And soon the strange ways of the Gypsies no
longer seemed so strange.
