Be an eyewitness to the world beneath your feet Earth: we use it for building, industry,

energy, sculpture, coins, and even jewellery. Find out all about it, from how our landscapes evolved, to mineral mining and how diamonds and precious stones are cut. Get the picture using the clip-art CD with over 100 amazing images to download. Then use the giant pull-out wallchart to decorate your room. Great for projects or just for fun, this fact-packed guide and CD shows and tells you everything you need to know about rocks and minerals. “I am a big fan of these… They are brilliantly visual”

“There isn’t a child that would be able to resist picking that up” Reader Reviews
