出版者:Ladybird Books Ltd

出版时间:2005-7

装帧:平装

isbn:9781844226207

An easy-to-use reference book packed full of historical facts and figures about Britain's monarchs from Alfred the Great to Elizabeth II. Each chapter focuses on a particular King or Queen in chronological order and describes the politics, battles and wars significant during their reign, concluding with the year and circumstances of their death.
