Help your 7-9 year old learn about science using this fill-in home-study workbook from Carol Vorderman. Find out which foods help you grow, which animals live where and more in this activity-packed science workbook from expert Carol Vorderman. Do the activities and experiments together and encourage your child to practise essential skills at home to keep them one step ahead of the class. Fun-filled exercises will help them progress from Key Stage 1 to Key Stage 2 with confidence. Progress charts, reward stickers and Parent's Notes packed with tips make learning about science fun and easy!
