《牛津英语教学参考:高中3年级第2学期(S3B)(上海版)》 主要内容：The course aims to

enable students to develop a functional competence in English that will be of practical value to them at school, for their subsequent careers and in their personal lives. A major feature of this course is that it does not just set language tasks for practice, but it teaches the skills necessary to deal with the tasks. The course pays special attention to developing language skills and subskills, to teaching exam techniques and to providing practice in exam-style exercises and tasks.
